

WHEELS

Excuse! I tell you
I like it when it
presents itself!!

Maybe we'll
re-arrange
this.

Someone
probably
placed it in your
locker.

Good
Afternoon!

Are there really
big eyes.

Please don't
cry here.

As time approaches
the storm will still
the thing?
cannot remain
in the air.

Thank you.

Thank you.

She's not
just for
dinner for a
and she was
waiting a
long. She
just a drink.

Thank you.

I'm going
to sleep
now.

恋ドラキユラ

／森永みるく

This fellow is
strange, isn't he?
I wonder who he is!

Oh?

What makes you
think, his partner?

??

I can't sense
my thoughts!

How can
you say so
suddenly?

There aren't any
happenings!

Yes

Yes

Just
Kidding!

Hehe??

I'm sorry, I
just wanted to
pull your leg.

Shouldn't go
over to your
apartment.

It's hardly that
bad, you
shouldn't be
going crazy.
Over a girl.

So

At least someone
my shape of face
changed from
before, no problem.

Though, the plenty
of other girls in
this world.

For now let's
work on your
relationships with your
class.

How about a
change in
towards the
classroom.

She really is a strange woman...

How did your head feel after that?

I'm glad you're okay.

A wish to end an ugly woman... a perfect woman is here.

Letting
down

Oh, should I
tell you
about that?

Why?

Don't you
remember
what I said
before?

Because I'm
a virgin!

Maybe she really was
like a virgin...

She certainly seemed
like she could make
you bleed... and
more...

I wonder if I
should tell
you about a
really
crazy...

Along with these and two other findings, the authors conclude that the results of the study suggest that the use of a single, standardized, and validated instrument to assess the quality of care is feasible and that the use of such an instrument can be used to identify areas for improvement in the quality of care.
